## Employer's Liability And Medical Payments Coverage - Farm Employees

Old Form # ML-29

New Form # HO 1758

Summary of Changes:

A provision that addresses deposit premium has been added to the new endorsement.

The new endorsement does not extend Coverage L and Coverage M with respect to coverage provided for BI to a farm employee.

The new endorsement does not cover BI to a farm employee that arises out of the operation or maintenance of aircraft.

The endorsement adds an exclusion that addresses injury covered under an insured's workers' compensation policy. The exclusion also applies if benefits are payable or required to be provided by an insured under a workers' compensation or similar law.

The endorsement excludes consequential bodily injury to a farm employee's family member.

The endorsement excludes liability assumed under a contract or agreement entered into by an insured.

The new endorsement relies on its terms and the terms of the underlying policy to specify the extent of coverage provided.
